# TENANTS & WORKERS UNITED
# 2024 YEAR-IN-REVIEW

## 2024 ACHIEVEMENTS

- $10 million for a newly created Housing Trust Fund in Prince William County

- $3 million for pipeline affordable housing projects in Alexandria City

- Additional funding for school-based mental health and college & career readiness staff in Alexandria City Public Schools (ACPS)

- $500,000 in additional funding for the ARISE guaranteed income program in Alexandria City

- Additional commitments from Fairfax County to improve mobile home conditions and implement support programs

- Bringing the "Air Conditioning for Extreme Heat Resilience Pilot Program" to mobile home communities amid dangerously high summer temperatures

- Over 100 community members mobilized to Richmond in coalition with other orgs to make state level progress toward securing solutions to the housing crisis and advancing tenants' rights, workers' rights, education justice, and more

## 2025 GOALS

Centering civic education, leadership development, and power-building with low-income communities of color, we aim to win local and state level changes that:

- support immigrants' rights
- preserve mobile home communities
- expand deeply affordable and dignified housing
- improve educational outcomes for youth of color
- advance health equity
- fund programs to support our families, including local housing vouchers, guaranteed basic income, & more

# TWU IMPACT

"There's something incredibly fulfilling about working alongside others who are passionate about change–it's empowering, and it shows that when we stand together, we can make a real difference." *-Karen, youth member*

"With TWU, I have gained more knowledge about the fight for more affordable housing and the importance of organizing as a community." *-Yesica, community member*

"We come together in hopes of meeting our goals of what we want from our local leaders. I've been able to learn more about my rights and meet new people who are going through similar issues." *-Franklin, community member*

**50+** civic education sessions
